

**Lee Valley Lions Junior Ice Hockey Club
Photography and filming Consent Form**

From time to time we have photographers asking to take photos of, or film, our junior teams during training and whilst they are playing ice hockey games. The pictures/films may be for local/national papers or TV, reproduced in flyers, adverts and brochures or placed on our website / face book page to promote the game of ice hockey.

In accordance with our child protection policy we will not permit photographs / films or other images of our young people to be taken without the consent of the parents / guardians and the child.

We therefore would like to ask for the parents / guardians permission to use pictures of their child to help to promote ice hockey and our club.

I give permission for photos of my child to be used for publicity purposes to help to promote Lee Valley Lions Junior Ice Hockey Club and the game of ice hockey in any media format deemed suitable and appropriate by the club committee. I also agree for team photos that include my child to be placed on the club notice board, websites and /or walls at the rink to help promote ice hockey / Lee Valley Lions Juniors at the rink.
